Q How are subscriptions and recurring payments cancelled?

A PayPal members may cancel individual subscribers from their transaction history. [Show me](#) Your subscribers may also cancel their subscriptions by following the steps below. A subscription can be cancelled up until the day of the next scheduled payment.

[Here's How:](#)

1. **Log In** to your PayPal account
2. Click on the **History** tab
3. Click on the **Details** of the subscription in question
4. Click **Cancel Subscription**
5. You have successfully cancelled the subscriber's subscription
